

Gippsland Gathering Easter 2023

In 1840, Polish explorer Pawel Strzelecki ventured into South East Victoria and found forests, rolling hills, rivers and land suitable for grazing. He named the area Gippsland after the then Governor of NSW, George Gipps.

Settlers followed and the area soon became a prosperous region and remains so today with agricultural pursuits, dotted with interesting villages. A number of National and State Parks preserve the habitat as Strzelecki found it.

The Jackaroo 4WD Club of Australia Victorian Branch invites you to come and enjoy this area for yourself at Easter 2023. All the usual Tri-State activities will be provided with perhaps, a few surprises.

Further details will follow as we get closer to the event, but in the meantime, mark your diaries.
