

JACKAROO & HOLDEN 4WD CLUBS TRI-STATE GATHERING

Easter 2013 - Thurs 28th March to Tues 2nd April.

NEWSLETTER NO. 5

Easter is almost here! Hot Cross buns have been in the supermarket for weeks! This is the final call for registrations for the Easter 2013 tri-state event in the Pyrenees. [Closing Date for registrations is Friday, February 22nd.](#)

Registration forms were sent to all Club Secretaries and can also be downloaded from: <http://easter.jackaroo4wdclub.org.au>

We already have 108 people in 57 vehicles registered, with more expected. Please note clothing orders have closed, but we may be able to take orders at Easter for a second batch.

Arrivals

Strictly no early arrivals on Thursday, 28th. The entrance gate will open at 12 noon.

Facilities

Please note that the water supply at the Recreation Reserve is limited tank water only. Everyone needs to bring a personal supply of drinking water. It will be possible to fill water containers up to 20 litres from the tank supply, but we don't have enough water to allow hoses to be used to fill caravan water tanks.

Generators are not permitted at the reserve. If you rely on a generator for power, you will need to make other arrangements. There are still some powered sites available. Power will also be made available at the office for charging small electronic devices. Due to limited capacity, a reminder that power is for refrigeration, lighting and water pumps only.

Photo Competition

Win a prize for your best photos taken on the way to the Pyrenees, or during the event. Photos will need to be downloaded to the Judge's computer at Moonambel. Further details on our website.

Moonambel Market

A craft/art/food/bric a brac market will be held at Moonambel Primary School on Easter Saturday from

9 am - 1 pm. As we displaced the market from its usual venue at the Recreation Reserve, we would appreciate your support for it.

Sunday afternoon

We have designated Sunday afternoon as free time, so you can do your own thing. We have suggestions for DIY half day trips. We hope to have a demo Colorado 7 available on Sunday for inspection and short drives. In addition, we are going to institute a **Sunday Trash & Treasure Market** on the oval. Please bring along anything with a 4WD/driving/camping theme for which you would like to find a new home. It can be sold, or swapped or given away - it is up to you.

Major Raffle

Tickets will be sold over Easter for a major raffle, and in addition, we will have Happy Hour Raffles on four nights. We have had much success in attracting sponsorship and have some excellent and valuable prizes for every night.
